AQUITY/NDOH 11/2020-2022: TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDER (LOCAL SUPPLIERS) TO SUPPLY, PACKAGE AND DELIVER FOOD PACKAGES IN OR TAMBO AND EHLANZENI DISTRICTS.

1. Introduction:

AQUITY Innovations NPC, a Section 21 South African-based registered not-for-profit organization, was established in 2010. Our mission is to promote access to quality health and social services through innovations and technology. AQUITY's programmatic focus areas include HIV, TB, health systems strengthening, capacity development, Orphans and Vulnerable Children as well as other interventions targeting key populations.

AQUITY Innovations NPC has been appointed by the National Department of Health to serve as one of the GLOBAL FUND TB Sub-Recipients (SRs) in South Africa. The project activities are being implemented in Mpumalanga (Ehlanzeni district) and Eastern Cape provinces (OR Tambo and Buffalo City Metro districts). Among other interventions, the program seeks to provide nutritional support to patients with TB and MDR TB within Ehlanzeni and OR Tambo districts.

2. Scope of Responsibilities:

The suitable Service Providers (supplier) located in OR Tambo (1) and Ehlanzeni districts (1) will be responsible for supplying, packaging and delivering nutritional packages (food parcels) for patients – **dry foods** to AQUITY district offices.

3. MANDATORY REQUIREMENTS

To qualify as a service provider, each applicant must meet the following criteria:

- Bid must be submitted on/ or before deadline.

- Original or Certified copy of the B-BBEE Status, level 2 or better.
- Bidders must submit the Tax Clearance Certificate/SARS TCS pin for confirmation of Value Added Tax (VAT) and other tax related matters
- The service provider must submit a profile of the entity which includes but is not limited to the following:
 - Name, structure and strategies,
 - Names and identity numbers of all directors, chief operating officers,

- Business, products and/or services which the entity is trading,
- Signed and stamped bank letter not later than 3 months as proof of banking.
- Operate within the implementation’s districts listed above.
- Certification of acceptability for food premises.
- Have at least 2 trade references for the packaging, supply and distribution of food
- Ability to deliver food parcels will be a strong advantage.
- [Budget](#) that includes the administration cost of food supply and distribution.
- Prove evidence of a physical office/warehouse structure (preferred: located in areas to be served)

4. Special Conditions:

- AQUITY Innovations NPC reserves the right to award according to the most economical service option submitted.
- AQUITY Innovations NPC reserves the right to stop the contract partly or as a whole, temporarily or indefinitely, in which event neither claim nor liability whatsoever shall lie against the contractor either due to non-compliance, non-performance, by the supplier.
- AQUITY Innovations NPC reserves the right to not make an award.
- AQUITY Innovations NPC reserves the right to conduct price negotiations, where deemed necessary.
- All suppliers are bound to protect the confidentiality of all data (including the protection of personal information) and information gathered and accessed through the work on assignment. Information and data received and accessed through this project may only be used to meet the objectives outlined in these specifications.
- AQUITY Innovations NPC reserves the right to request any relevant documentation at any stage of implementation.
- All records, data and information relating to the programme are owned by the contractor and remain the intellectual property of the contractor and as such must be treated as confidential by the supplier.
- At the end of the contract period, the supplier shall make available to contractor a record of all the data and information relating to the contractor to enable the new supplier to sufficiently and properly take on that data and information in a manner which would enable the new supplier to commence delivering services to the contractor.
- AQUITY Innovations NPC reserves the right to conduct supplier due diligence prior to final award or at any time during the contract period. This may include site visits.
- It is expected of the Service Provider to be able to procure the food parcels upfront and claim back amount paid from the contractor. The bill (invoice) to the contractor should be in two parts, namely, monthly invoice for the actual food purchases and the administration fees.
